BEACON
FISHER JUNIOR
COLLEGE
BOSTON,
MA

To the Class of 1988:

"I have but one lamp by which my feet are guided, and that is the lamp of experience. I know of no way of judging the future but by the past."

These words were spoken in 1775 by the American patriot Patrick Henry. In recalling his wisdom, we are reminded of the rich heritage provided by our predecessors. The men and women of the past, through blood, sweat, and tears, have created for us the finest social order that has ever existed on this earth. Comfort, health, knowledge, and freedom abound in quantities unknown before our time.

Rapidly expanding opportunities for self-expression, development, and achievement now available to women like you are especially important. These opportunities are provided by the efforts of others in the past. Nourish them, use them, expand them. Add to our world your experience, your skills, and your talents acquired at Fisher Junior College and elsewhere during your lifetime and create an even better world for yourself and those who follow you.

Your faculty and administration at Fisher Junior College have diligently worked to enrich your knowledge and understanding of past and present. We commend your attentive and purposeful participation. Our experience is now yours. We want wishing you most rewarding, productive,

Dr. Scott A. Fisher

President

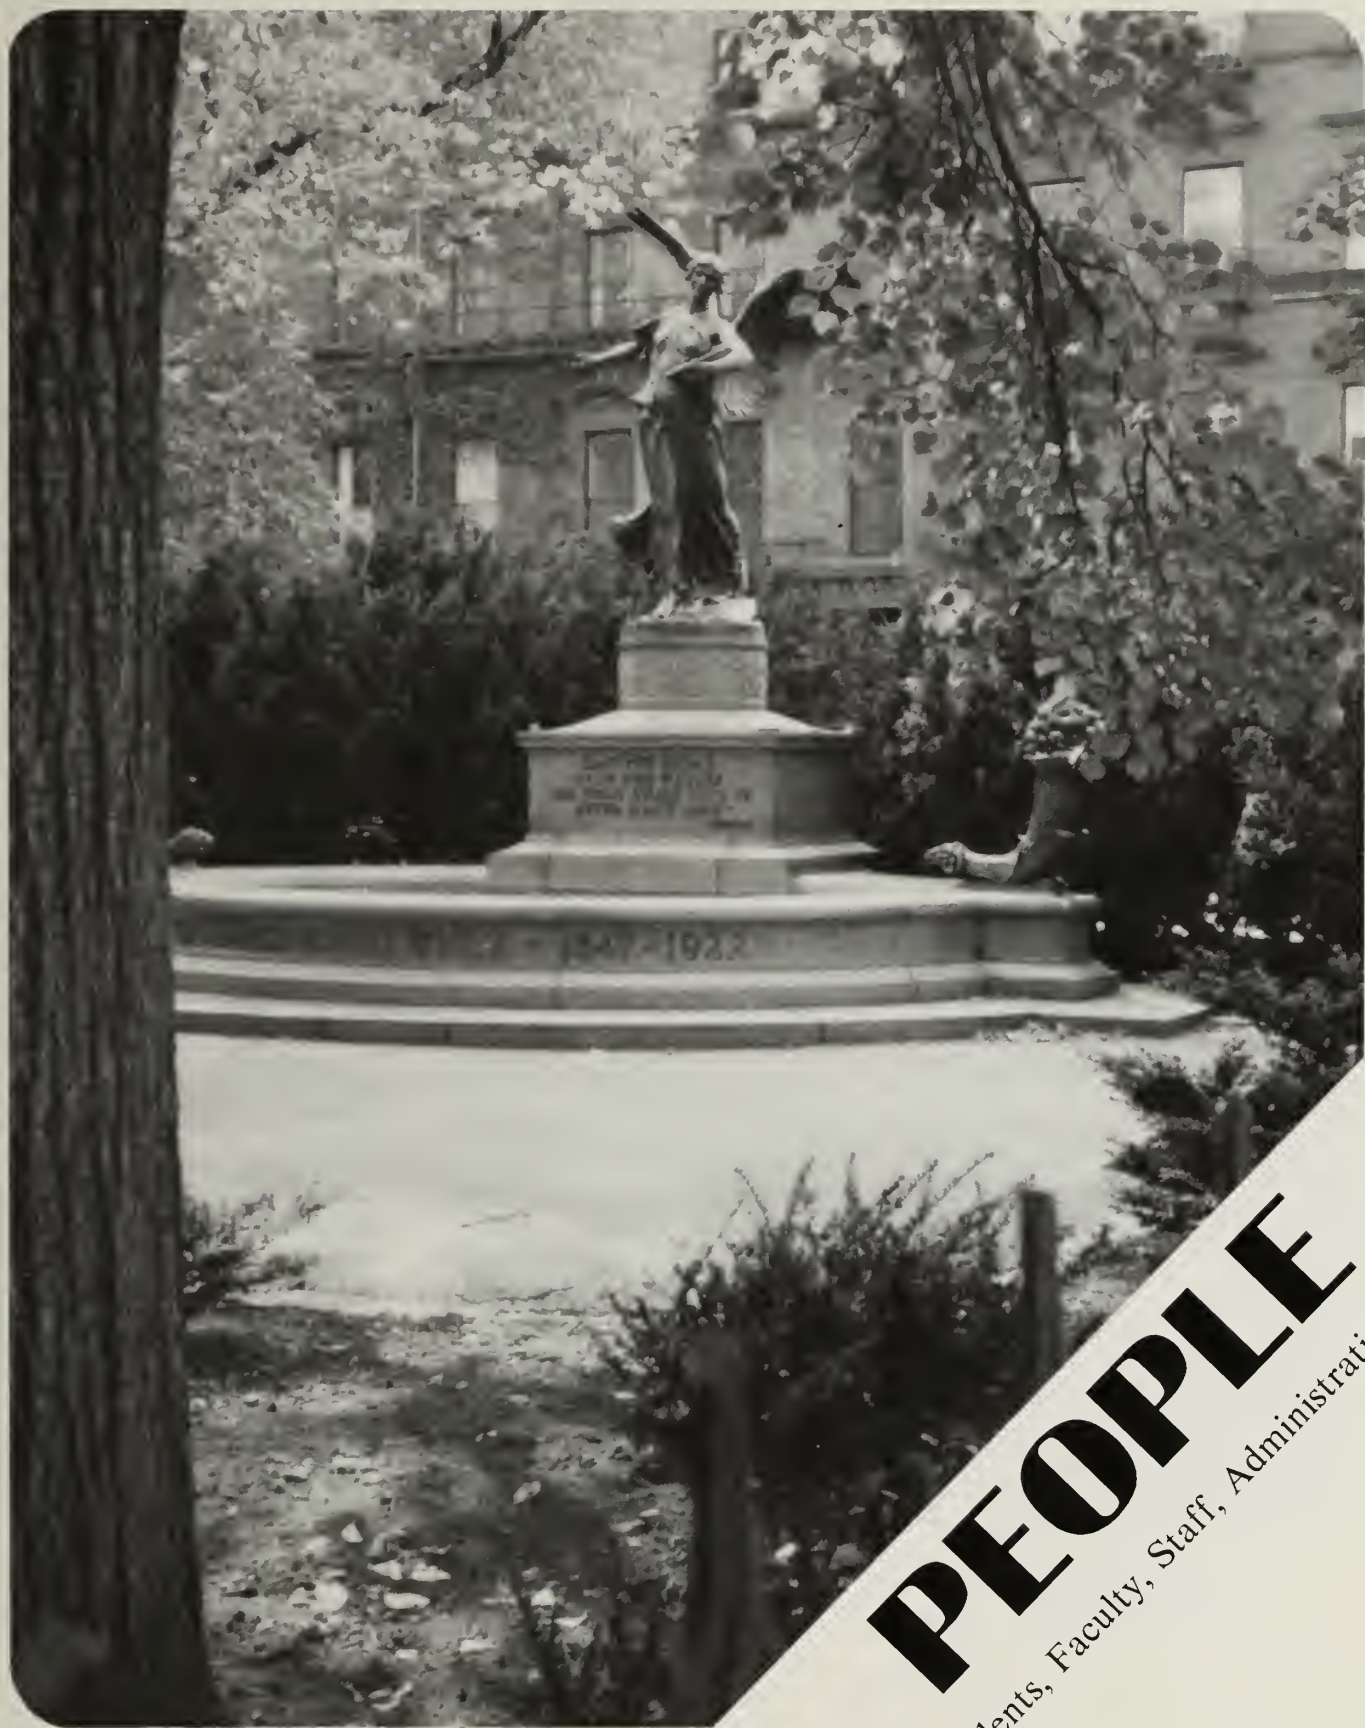

The year 1988 marks the 85th anniversary of Fisher Junior College on Beacon Street. For 85 years, Fisher students have lived, worked, and loved in this city. Boston offers endless opportunities: fried dough at Faneuil Market, stimulating conversation at the Bull and Finch, enticing music and dancing at the Metro, a soothing atmosphere at Friday's, laughter at the Comedy Connection, charming boutiques at Copley Square, limitless shopping at the Harvard Coop, whale watching on harbor cruises, Andrew Wyeth's "Helga Portraits" at the Museum of Fine Arts, and the enchantment of *The Nutcracker* at the Wang.

The city itself is our campus. For 85 years, Boston has aided and enriched the lives of Fisher students. The Beacon of '88 will recapture these moments for you.

COMMUTERS

I would like to thank the yearbook for allowing me to leave a message to the class of 1988. The success of our class can be attributed to our dedicated and sincere college staff. They have opened the avenues of experience for us and helped us to grow in knowledge and maturity. We are

also forever in debt to our parents for their strength, guidance and love.

In the past two years we have accumulated friendships that have stood the test of college life and now will stand the test of time. The Class of 1988 becomes a part of the rich heritage of

Fisher Junior College. It is my sincere hope that we the class of '88 will go forth to achieve our hopes and dreams with style and grace that we have shown in the past. We have the potential to succeed. We will succeed. We are the future.

Best of Luck in
Future Endeavors,

DEDICATION

The staff of the '88 BEACON proudly dedicates this year's yearbook to the ADMISSIONS OFFICE.

The diligent work of the Admissions Office is apparent throughout the classrooms and hallways of the college. For each year their hard work results in the enrollment at UJC of students from such far away places as Alaska, Australia, Belgium, Cambodia, Norway, Saudi Arabia, Switzerland, Thailand, and Vietnam. These students join other young women from New England, New York, New Jersey and other states. The result is a mingling of backgrounds and cultures which adds substantially to our learning experience.

Your commitment of time, your dedication to the college and your enduring energy are sincerely appreciated by us all.

The '88 Beacon staff is forever grateful to the following people:

Mrs. Collins', Director of Student Services, and Susan Tritto for their diligent searches into background information on Fisher.

Irene Checkovich, the Registrar, and her staff for necessary and accurate student information.

Dr. Walton for simply being there when we needed his advice and guidance.

Kathy Joyce, our photographer, for her talent at capturing memories on film and for her patient guidance in teaching us.

John Carrier, of Herff Jones Yearbooks, for his amazing patience, vast knowledge and much sought after guidance.

Mrs. Shore, the faculty editor, for her discerning eye.

And finally, Mrs. Levin, the yearbook advisor, for her willingness to accept new ideas, for her infectious enthusiasm which inspired us all and, most importantly, for her friendship — we worked **with** Mrs. Levin, not **for** her.
